Slavs - Wikipedia

Slavs are an ethno-linguistic group of people who speak various Slavic languages of the larger Proto-Slavic linguistic group of the Indo-European languages. They are native to Europe, stretching from Central Southeastern and Eastern Europe, all the way north and southwest to Northeast Europe, Northern Asia (Siberia and the Russian Far East), and Central Asia.

Pan-Slavism - Wikipedia

Origins. Extensive pan-Slavism began much like Pan-Germanism, both of which grew from the sense of unity and nationalism experienced within ethnic groups after the French Revolution and the consequent Napoleonic Wars against European monarchies. Like other Romantic nationalist movements, Slavic intellectuals and scholars in the developing fields of history, philology, and art were interested in the study of ancient cultures to form a collective identity.

Slavic languages, also called Slavonic languages, group of Indo-European languages spoken in most of eastern Europe, much of the Balkans, parts of central Europe, and the northern part of Asia. The Slavic languages, spoken by some 315 million people at the turn of the 21st century, are most closely related to the languages of the Baltic group (Lithuanian, Latvian, and the now extinct Lithuanian), and to the Uralic and Finn-Ugric languages.

Irish Backdrop. As the twentieth largest island in the world with only about 6.5 million people, Ireland has a bloody history due to its two main divided parts - the Republic of Ireland with Dublin as the capital and Northern Ireland, a part that has always been under the rule of the United Kingdom.

Name Meanings and Last Name Origins

In the Slavic countries, the “sky” and “land” played the same role. The Latins used a variety of pretexts for their naming practices. The prefix “di” (meaning “of”) was often attached to an otherwise ordinary Christian name to form a patronymic; “d” and “e” (meaning “from”) often associated a place of origin; and “a” and “e” (meaning “the”).
