Urban legend - Wikipedia
An urban legend or contemporary legend is a genre of folklore comprising stories circulated as true, especially as having happened to a "friend of a friend" or family member, often with horrifying or humorous elements. These legends can be entertaining but often concern mysterious peril or troubling events, such as disappearances and strange objects. They may also be confirmation of ...

The Grammarphobia Blog: In Jesus’ name or Jesus’s name?

Rule of thumb - Wikipedia
Rule of thumb is an approximate method for doing something, based on practical experience rather than theory. This usage of the phrase can be traced back to the seventeenth century and has been associated with various trades where quantities were measured by comparison to the width or length of a thumb. A modern folk etymology holds that the phrase is derived from the maximum ...

Correct. The last step needed: the debunkers need to debunk the myths not in their cozy groups and websites, but in the enemy's lair. This achieves two purposes: First, those reading the myths will immediately see the refusal. They don't need to search through multiple websites. They don't have to go through the layers of meaningless arguments.
